2 COMPETITORS SELECTION

Each rider respecting the standards of points 1 and 2 may entry the 2019 UCI Masters Cyclo-cross World Championships under his/her own responsibility. There is no maximum quota per Nation. The registration is individual.

3 RULES

3.1 PARTICIPATION IN UCI MASTERS WORLD CHAMPIONSHIPS

5.1.001 The category which will be applied for entries to races for the entire season is the category to which the rider will belong on 1 January of the following calendar years.

Masters:
All riders who hold a Masters license may ride in the masters world championships. However, the following riders are not eligible:

1. Any rider who has ridden in the UCI cyclo-cross world championships, continental championships or UCI cyclo-cross world cup during the current year.
2. Any rider,who has been a member, during the current cyclo-cross season, of a team registered with the UCI.
3. Any rider classified with at least 100 points in the UCI individual cyclo-cross ranking published after the first UCI cyclo-cross world cup event of the current cyclo-cross season.

Nota bene: for Federations that do not deliver Masters licenses, the age above 35 years and the respect of the above conditions will be necessary.

5.4.001 Only license holders under articles 1.1.001 to 1.1.028 and 5.1.001 may take part in the masters world championships. A race number is only issued on presentation of the license.

5.4.003 All details specifically relating to the masters world championship must be obtained from the organiser or from the UCI website.

3.2 EQUIPMENT

5.4.002 The riders taking part in the masters world championships represent their country, but are permitted to use equipment of their choice.

1.3.031 Wearing a rigid safety helmet shall be mandatory during competitions and training sessions.

1.3.025 Disc brakes are allowed in cyclo-cross training and competition.
For races on the road and cyclo-cross, the use of fixed sprocket is forbidden: a braking system that acts on both wheels is required.

1.3.018 For the Cyclo-cross bicycle the width of the tyre (measured between the widest parts) shall not exceed 33 mm and it may not incorporate any form of spike or stud.
