Announcements:

Any

Categories of riders that start at the same time (example C4 and C5) may work together and draft each other. Riders from other starts may not work or draft with different start groups. Riders passing other groups must ride separately.

Radios are not allowed except in individual cases for safety. Any rider that believes they should be allowed the use of a radio must present a written request to the commissaire's panel.

Riders are reminded to attend the protocol ceremony in proper races clothing and without hats or sunglasses. Riders selected for anti-doping must report first for the award ceremony.

Riders must present themselves and their equipment before the starts to allow the verification of uniforms, numbers and equipment. For the time trial, the riders must present themselves 15 minutes before their start time in order to verify their equipment. Riders arriving late will be started by the commissaires in a manner that does not interfere with the riders ready to start.

Feeding will be allowed each lap for Friday and Saturday. The feed zone will be marked by panels for both the left and right side of the road. Team managers and riders are asked to coordinate their feeding to avoid crossing the road and creating a danger for other riders.

For the time trial, there is one vehicle allowed for countries with 9 or fewer riders.

For the time trial, there are two vehicles allowed for countries with 10 or more riders.

For the time trial, each vehicle must have the sticker provided by the organizer. Club or independent riders of the same country may only be followed by the official team vehicle(s).
