Communiqué No. 5

Antidoping Control

Information

- Testing will be conducted under the 2011 Anti-Doping-Rules of the UCI.
- If no instruction has been given by the UCI Anti-Doping Commission, the riders will be selected as listed in appendix 3 of the Anti-Doping rules of the UCI.
- Riders selected for anti-doping will be identified on a list by their race number or their place in the ranking. The list will be posted at entrance of the anti-doping room immediately after the race, for mass start events also at the finish line.
- Riders selected for anti-doping controls will be notified in person at the finish line by chaperons wearing a black UCI bib. They will be asked to sign the notification form (the signature of the team manager or club representative on the notification form will also bind the rider) and will be escorted to the anti-doping control station. If the award ceremony takes place immediately after the event, a rider needing to go to the award ceremony will be escorted first to the ceremony area, then to the press conference and finally to the anti-doping control station.
- Each rider to be tested must present himself/herself at the anti-doping control station as soon as possible and at the latest within 30 (thirty) minutes after finishing the race. If a rider takes part in an official ceremony or attends a press conference, the deadline shall be 30 (thirty) minutes of the end of the ceremony or of the moment that his presence is no longer required at the press conference, whichever is the latest.
- Riders must report to the anti-doping control station with their license or ID-card, photography is mandatory. Riders may be accompanied by a person of his choice and an interpreter.
- Even if there are chaperons present, ultimately IT IS THE RIDERS' RESPONSIBILITY TO CHECK IF THEY HAVE BEEN SELECTED FOR ANTI-DOPING CONTROLS. If the rider does not attend the test, a violation of the UCI Anti-Doping rules will be noticed and the rider could be sanctioned in accordance with chapter X of these rules.
- Testing may take place in the rider's hotels.
- Any changes related to the localization of the riders participating in the race (name of hotel, address and telephone/fax numbers) must be communicated to the UCI as soon as possible. If these changes occur at the last minute, the communication has to be made to the UCI Official Doctor (mobile number below).
