**ANTI-DOPING CONTROL
INFORMATION**

Testing will be conducted under the 2016 Anti-doping Rules of the UCI.

If no specific instruction has been given by the Cycling Anti-Doping Foundation (CADF), the riders will be selected as listed in Appendix 1 of the A.D. Rules of the UCI: Winner in different classes selected by CADF, random may also be added.

Riders selected for anti-doping will be identified on a list by their race number or their place in the ranking. The list will be posted at the entrance of the anti-doping room immediately after the race as well as at the finish line.

The riders to be tested will be notified by a chaperon; the notified rider shall remain within sight of the chaperon at all times from the moment of in-person notification until the completion of the sample collection procedure. Team officials should not prevent the chaperons to continuously observe the rider. Should no chaperon be present, the rider shall proceed immediately to the doping control station. The absence of a chaperon shall not excuse the rider for not reporting in time to the doping control station. If the award ceremony takes place immediately after the event, a rider needing to go to the award ceremony will be escorted first to the award ceremony area, then to the press conference and finally to the doping control station.

Each rider to be tested must present himself at the doping control station as soon as possible and at the latest within 30 (thirty) minutes of finishing the race. If a rider takes part in an official ceremony or attends a press conference, the deadline shall be 30 (thirty) minutes of the end of the ceremony or of the moment that his presence is no longer required at the press conference, whichever is the latest. Riders that have abandoned the race shall proceed immediately to the doping control station.

RIDERS MUST REPORT TO THE DOPING CONTROL STATION WITH THEIR CURRENT LICENSE; but if it has no photograph, another I.D. with a photo must be presented. A person of his choice and an interpreter may accompany riders.

Even if there are chaperons present, ultimately it is the rider's responsibility to check if they have been selected for anti-doping controls. If the rider does not attend the test, a violation of the UCI Anti-Doping Rules will be noticed and the rider could be sanctioned in accordance with Chapter 7 of these Rules.

Any changes related to the localization of the riders participating in the race (hotel name, address and telephone/fax numbers) must be communicated to the DCO as soon as possible; if these changes occur at the last minute, the communication has to be made to the Doping Control Officer (phone number below).
