

The UCI World Cycling Centre (CMC) in Aigle is an outstanding multi-sport facility. It is used by the Union Cycliste Internationale (UCI) as a training centre and features a 200m Velodrome and BMX Super X track. Inaugurated in 2002, it welcomes a large number of athletes from around the world who devote all their energy to their sports career. The WCC trains and develops about 100 athletes a year in four Olympic disciplines (road, track, MTB and BMX).

The UCI World Cycling Centre is looking for an

## **Apprentice Mechanic**

As Apprentice Mechanic you will work in the WCC mechanics workshop under the responsibility of its Manager. You will learn all aspects of the job, and more specifically to repair, to dismantle and prepare bikes that will be used by our athletes for training.

### **Profile:**

- Successfully completed secondary school training (level VSG)
- Strong interest in cycling and/or competitive sport
- Manual dexterity
- Keen technical sense and analytical ability
- Methodical mind
- Able to work independently
- Motivated, dynamic and conscientious
- Resident of the region.

**Start date in position:** August 2019

Joining us is an opportunity to be part of current affairs in sports and to contribute to the success of the World Cycling Centre. If this position interests you and you match the profile, please send a full dossier (application letter, CV, working qualifications and diplomas) to [job@uci.ch](mailto:job@uci.ch).
