

The Union Cycliste Internationale (UCI) was founded on 14th April 1900 in Paris and is the world governing body for cycling. The UCI's mission is to develop and supervise cycling in all its forms and for everybody, as a competitive sport, as a healthy recreational activity and as a means of transport and having fun. Additionally, the UCI promotes a number of its own events, including the UCI Road World Championships, an iconic annual event, and a wide range of other UCI World Championships and World Cups across the various disciplines. It is based in Aigle, Switzerland, at the UCI World Cycling Centre.

The UCI is seeking an:

IT Developer

(100 %)

French-English

Mission :

Manage the evolution and the maintenance of business software and databases (DataRide, LINKS), participate in the introduction of on-line services for the cycling disciplines and provide user support.
