### GENERAL INFORMATION

Cycling New Zealand welcomes National Federation and UCI Registered teams to the fourth round of the 2020 TISSOT UCI Track Cycling World Cup which is to be held at the Avantidrome in Cambridge, New Zealand.

Cambridge is a town of approximately 20,000 people in the agricultural heart of New Zealand. It is approximately a 25-minute drive to Hamilton, the nearest city. Cambridge prides itself as being the 'Home of Champions' as it hosts the National Sport Organisations for cycling, rowing, canoe racing and triathlon as well as many major sporting events. The surrounding area supports a thriving dairy industry and world-renowned thoroughbred horse breeding farms and racing horse trainers.

The Avantidrome is the home of Cycling New Zealand and its High Performance programme. It houses a 250m, Siberian Spruce track built in 2014.
