

# 2019 UCI BMX Freestyle World Cup Registration and Ranking Deadlines

Below are the registration deadlines for the Men Elite and Women Elite categories for BMX Park and BMX Flatland for the events in the 2019 UCI BMX Freestyle World Cup. Riders in the BMX Park Discipline (only) must have 50 points in the UCI Individual BMX Freestyle Park Ranking as of the date listed in Column 'D' below in order to register in each event.

The limit of 50 UCI points earned just before each UCI BMX Freestyle Park World Cup event was put in place to keep the number of entries in the Elite categories manageable, to ensure that the competition can be completed in the time available.

Event	Column 'A' Event Dates	Column 'B' Registration Opens	Column 'C' Registration Closes	Column 'D' Ranking Deadline*	Column 'E' Top 50 Deadline**

\*Column 'D' applies to BMX Park Only. This is the date by which a rider must have earned at least 50 points in the UCI BMX Freestyle Park Individual ranking in order to register in that particular event. Note that this ranking includes points earned for each rider in the 1-year period preceding the date on which the ranking is published (that is, the Ranking Deadline found in the table above).

In case a national federation does not presently have any riders with 50 or more points in the UCI BMX Freestyle Park Individual Ranking as of the ranking deadline for any particular event, that federation nevertheless has the right to enter a single rider for the category in question. In this case, it is up to the national federation to choose which rider is entered, if any.

\*\*Column 'E' applies to BMX Park Only. This is the date by which a rider in the top 50 of the UCI Individual Ranking published earlier in the same week must register in order to avoid riding in a Pre-Qualification Round, if held for the event in question.

**Registration is done via the FISE World Series on-line registration system. Late registration / in-person registration is not accepted.**
