General Information

Summary:

For the attention of all Teams and Athletes.

Details:

As you are aware, Tokyo 2020 has provided seating for athletes not competing so that they can watch racing. A separate section of the grandstands has been provided, labelled as 'SDA' or 'Same Discipline Athlete' seating.

Separation from other spectators is done to prevent transmission of Covid-19; it is required by the playbooks.

Unfortunately, it has been noticed that some athletes and team staff have not been using the SDA seating, instead using seating reserved for other spectators. Likewise, it was noticed that some of these people were not using masks. This has been pointed out by Japanese press, which puts Tokyo 2020 in the uncomfortable position of having to explain why this was allowed to happen, and whether or not those ignoring the playbooks have been sanctioned.

While we understand that emotion is high and that everyone wants to enjoy the racing and their games experience to the greatest extent possible, it must also be remembered that such notice in the media is not positive for either the Games, nor for our sport. As such, the UCI must ask all athletes and teams to wear masks at all times (other than when competing), respect the instructions of the organisation and the rules outlined in the playbooks, and sit only in the seating that has been provided for you. Though it is not our desire to do so, if necessary, the UCI will support the organisers and the IOC in applying whatever sanctions are deemed appropriate should athletes and teams continue to disregard the playbooks and instructions of Tokyo 2020 related to this matter.

The UCI, Tokyo 2020, and the IOC thank you sincerely for your cooperation and wish all athletes and teams the best of luck for the remainder of the track cycling events

Competition Format and Rules

競技形式および規則 / Format et règlement des compétitions

As of THU 1 JUL 2021

OLYMPIC COMPETITION FORMAT

Track cycling at the Tokyo 2020 Olympic Games consists of six events for men and women: team sprint, sprint, keirin, team pursuit, omnium and madison.

Team sprint

The men's event is run over three laps by eight teams of three riders. The women's event is run over two laps by eight teams of two riders. Each team member must lead for one lap.

The team sprint consists of three phases: qualifying, first round and finals.

In the qualifying phase, the teams ride against the clock, one team at a time on the track.

The teams are seeded for the first round based on their qualifying time as follows:

- Heat 1: fourth fastest versus fifth fastest
- Heat 2: third fastest versus sixth fastest
- Heat 3: second fastest versus seventh fastest
- Heat 4: fastest versus eighth fastest

The four winning teams from the first round race for the medals. The teams with the two best times ride the final for gold and the other two teams ride for bronze.

For the teams beaten during the first round race for fifth to eighth places, those with the two best times ride the final for fifth and sixth places and the other two teams ride the final for seventh and eighth places.

In case of a tie (to the closest one-thousandth of a second), the team with the fastest time over the last lap will be declared the winner.

Sprint

For each gender the number of riders is limited to 30 with a maximum of two riders per nation. The sprint consists of 11 phases: qualifying, 1/32 finals, 1/32 finals repechages, 1/16 finals, 1/16 finals repechages, 1/8 finals, 1/8 finals repechages, quarterfinals, race for fifth to eighth places, semifinals and finals.

During the qualifying phase all riders complete a 200m flying start (time trial, after two-and-a-half build-up laps) to determine the fastest 24 to qualify and the seeding order for the 1/32 finals. From the 1/32 finals this is a head-to-head competition.

The 12 winners of the 1/32 finals advance to the 1/16 finals, the losers go to repechages. The 1/32 finals repechages consist of four heats, featuring three riders in each. The four winners progress to the 1/16 finals.

The eight winners of the 1/16 finals advance to the 1/8 finals, the losers go to repechages. The 1/16 finals repechages consist of four heats, featuring two riders in each. The four winners progress to the 1/8 finals.

The six winners of the 1/8 finals advance to the quarterfinals, the losers go to repechages. The 1/8 finals repechages consist of two heats, featuring three riders in each. The two winners progress to the quarterfinals.

From the quarterfinals, riders compete over two races with a third deciding race if needed. Winners of the quarterfinals qualify to the semifinals. The losers ride a four-up round for places fifth to eighth.

The winners of the semifinals ride the final for gold and the losers ride the final for bronze.

In the case of a tie (to the closest one-thousandth of a second) in the 200m flying start time trial, the riders concerned will be classified according to the best time in the last 100m. If there is a tie in a decider, additional decider(s) will be run until the tie is resolved.

Keirin

For each gender the number of riders is limited to 30 with a maximum of two riders per nation. The keirin consists of five phases: first round, repechages, quarterfinals, semifinals and finals.

Riders run a three-lap sprint after having completed three laps behind a motorcycle-mounted pacer in order to progressively reach a specific speed. The pacer starts at 30km/h, increases to 50km/h and leaves the track with three laps to go.

There are five heats in the first round, with the top two finishers from each heat qualifying for the quarterfinals and all other athletes riding the repechages. The repechages are split into four heats, with the top two finishers from each heat qualifying for the quarterfinals.

The quarterfinals consist of three heats (featuring six riders in each), with the top four finishers from each heat qualifying for the semifinals.

The top three finishers in each semifinal ride the final for first to sixth places and the other riders ride the final for seventh to 12th places.

If ties for the last qualifying spot cannot be resolved by photo-finish, all tied riders will qualify for the next phase. If ties in the finals cannot be resolved by photo-finish, the riders will share the same rank.

Team pursuit

The men's and women's event are raced over a distance of 4000m by eight teams of four riders.

The team pursuit consists of three phases: qualifying, first round and finals.

In the qualifying phase, the teams ride against the clock, one at a time on the track.

The teams are seeded for the first round based on their qualifying time as follows:

- Heat 1: the sixth fastest team against the seventh fastest team
- Heat 2: the fifth fastest team against the eighth fastest team
- Heat 3: the second fastest team against the third fastest team
- Heat 4: the fastest team against the fourth fastest team

The winners of heats three and four in the first round ride the final for gold.

The remaining six teams are ranked by their times in the first round and are paired as follows:

- the two fastest teams ride the final for bronze
- the next two fastest teams ride the final for fifth and sixth places
- the last two teams ride the final for seventh and eighth places

The heats will be ridden in the reverse of this order.

In case of a tie (to the closest one-thousandth of a second), the team with the fastest time over the last lap will be declared the winner.

Omnium

There will be up to 20 men and 21 women competing, with a maximum of one rider per NOC.

The omnium is a combined competition in which riders must compete in all four races scheduled over one day in the following order: scratch race, tempo race, elimination race, points race.

In the first three races, the winner scores 40 points, the second 38, etc. Riders ranked 21st and below are awarded one point. Riders carry the cumulated points into the fourth race, the points race, where all points scored in sprints or by taking laps are considered. The overall winner of the omnium is the rider with the most cumulative points.

The scratch race is a bunch race run over 10km for men and 7.5km for women.

The tempo race is a bunch race over 10km for men and 7.5km for women. The final placing is determined according to accumulated points won. Starting after lap four, sprints are conducted every lap. The first rider in each sprint is awarded one point, including for the final sprint. Any rider that gains a lap is awarded 20 points. Any rider that loses a lap is deducted 20 points.

The elimination race is a bunch race during which the last rider, according to the position of the rear wheel on the finishing line, at each intermediate sprint (every two laps) is eliminated. The placing of the last two riders remaining in the race is determined in the final sprint according to the position of their front wheel on the finishing line.

The points race is a bunch race over 25km for men and 20km for women. The final placing is determined according to accumulated points won by riders:

- In the sprints, which occur every 10 laps, sprint points are awarded as follows: five points for first, three points for second, two points for third and one point for fourth. Points awarded in the last sprint after the full distance are doubled.
- Any rider that gains a lap on the main field will be awarded 20 points. Any rider that loses a lap is deducted 20 points.

Where two or more riders are equal on points in the final classification after the points race, the places in the final sprint shall decide. If the tie still cannot be resolved the rank will be shared.

Madison

There will be 16 teams of two men and 16 teams of two women competing

The madison is a race with intermediate sprints involving teams of two riders. Men cover 50km and women cover 30km. Only one rider per team is riding at any time and changing must be done by handsling or push.

The final placing is determined according to accumulated points won by teams:

- Sprint points are awarded every 10 laps as follows: five points for first, three points for second, two points for third and one point for fourth. Points awarded in the last sprint after the full distance are doubled.
- Any team that gains a lap on the main field is awarded 20 points. Any team that loses a lap on the main field is deducted 20 points.

Where there is a draw on points, the places in the final sprint shall decide the ranking. If the tie still cannot be resolved the rank will be shared.

DIFFERENCES BETWEEN THE UCI WORLD CHAMPIONSHIPS AND THE OLYMPIC GAMES

There are 20 events (10 for men and 10 for women) at the International Cycling Federation (UCI) World Championships.

Based on different quotas between the world championships and the Olympic Games, the number of phases within each event may vary.

CHANGES SINCE THE RIO 2016 OLYMPIC GAMES

The men's and women's madison events have been added to the programme.

The number of teams in team sprint and team pursuit has reduced from nine to eight.

The sprint format has been changed to include a 1/32 finals and a 1/32 finals repechages. The progression rules have changed. Up to 30 riders instead of 27.

The keirin format has been changed and includes an additional phase. Up to 30 riders instead of 27.

The number of events in the omnium has been changed from six to four (the tempo race has been added and individual pursuit, time trial and flying lap have been removed). Up to 20 riders (men) and 21 riders (women) instead of 18.

SPORT RULES AND PROCEDURES

The maximum number of riders who may compete in the Olympic Games cycling track competition is 189, with a maximum of 98 men and 91 women.

Tiebreak rules

See competition format above.

Penalties/disqualification rules

A rider may be disqualified, relegated (ranked to the last position in a phase) or fined for:

- Pushing or interfering (jersey pulling) with another rider, by hand or by other means.
- Use of a bicycle which does not conform with the regulations.
- Removing the obligatory helmet during a race.
- Receiving two warnings within the same event leads to a disqualification (a relegation may also carry a warning).
- Deviating from the selected lane in a sprint, endangering other riders.
- Positive doping test leads to a disqualification.
- Failing gender verification leads to a disqualification (women only).

Note: relegation - changes the rank of a rider or team, after which rider/team is not disqualified and can continue to compete (not applicable in pursuits and time trials).

Protests/appeals

Decisions of the commissaires' panel are considered final, and there are no protests.

Regulations on equipment and rider position

In order to give equal opportunities to all NOCs, the UCI has given the following restriction: a bicycle shall not measure more than 185cm in length and 50cm in width overall. Wheels of the bicycle may vary in diameter between 70cm maximum and 55cm minimum. The wheels must be of equal diameter. The structure of the bicycle connecting the saddle, pedals and front fork shall be triangular. Fixed gear is used for track bikes. Freewheels, multiple gears and brakes are not permitted. The weight of the bike should be at least 6.8kg.

There are also regulations regarding the horizontal position of the peak of the saddle for the different events.
