Special Provisions

1. In each gender, in the event a Continent is not represented in any sprint type events (*i.e.* Team Sprint, Sprint or Keirin), the highest ranked NOC on the UCI Olympic Track Ranking 2018-2020 for individual Sprint of that Continent shall be entitled to one (1) quota place in the individual Sprint event. Any such allocation will result in a corresponding reduction (max. 1 per NOC) of places allocated to NOCs through the UCI Olympic Track Ranking 2018-2020 for individual Sprint, in the reverse order of the latter.
2. In each gender, in the event a Continent is not represented in any endurance type event (*i.e.* Team Pursuit, Madison or Omnium), the highest ranked NOC on the UCI Olympic Track Ranking 2018-2020 for Omnium of that Continent shall be entitled to one (1) quota place in the Omnium event. Any such allocation will result in a corresponding reduction of places allocated to NOCs through the UCI Olympic Track Ranking 2018-2020 for Omnium, in the reverse order of the latter.

HOST COUNTRY PLACES

No Host Country places are available in Track Cycling for the Olympic Games Tokyo 2020.

TRIPARTITE COMMISSION INVITATION PLACES

In Track Cycling, no Tripartite Commission Invitation Places will be directly allocated as part of the athletes' quota. Tripartite Commission Places may be offered to NOCs within the reallocation process for unused qualification places in individual events, once the initial quota allocation has been completed as described in paragraph **F. Reallocation of Unused Qualification Places**.

On 14 October 2019, the International Olympic Committee will invite all eligible NOCs to submit their requests for Tripartite Commission Invitation Places. The deadline for NOCs to submit their requests is 15 January 2020. The Tripartite Commission will confirm, in writing, the allocation of invitation places to the relevant NOCs after the end of the qualification period for the concerned sport.

Detailed information on Tripartite Invitation places is contained in the "*Games of the XXXII Olympiad, 2020 Tokyo - Olympic Games Tripartite Commission Invitation Places - Allocation Procedure and Regulations*".

E. CONFIRMATION PROCESS FOR QUOTA PLACES

Following each qualification event, the UCI will publish the results on its website www.uci.org/track/rankings and update the corresponding UCI Olympic Track Ranking. On 2 March 2020, the final UCI Olympic Track Ranking will be published on the UCI website and by 9 March 2020, the UCI will inform the respective NOCs of their allocated quota places.

The NOCs will then have 14 days to confirm if they wish to use these quota places, as detailed in paragraph **H. Qualification Timeline**.

QUALIFICATION SYSTEM – GAMES OF THE XXXII OLYMPIAD – TOKYO 2020

F. REALLOCATION OF UNUSED QUOTA PLACES

REALLOCATION OF UNUSED QUALIFICATION PLACES

If an allocated quota place in an individual event is not confirmed by the NOC by the confirmation of quota place deadline, or is declined by the NOC, the quota place will be reallocated by the Tripartite Commission as a Tripartite Commission Invitation Place.

If the Tripartite Commission is not able to allocate the unused qualification place, the quota place will be reallocated, in the same event, to the next highest ranked NOC on the UCI Olympic Track Ranking, respecting the maximum quota of athletes per NOC per event and the special provisions 1 and 2 of paragraph **D. Qualification Pathway** pertaining to continental representation.

If an allocated quota place in a team event is not confirmed by the NOC by the confirmation of quota place deadline or is declined by the NOC, the quota place will be reallocated in the same event to the next highest ranked NOC on the UCI Olympic Track Ranking not yet qualified in the relevant event.

In case no NOC is eligible for reallocation according to the above process, the quota place will be reallocated, in the same event, to the next highest ranked NOC on the final 2019-2020 UCI Track Classification, respecting the maximum quota of athletes per NOC per event.

G. GENERAL PRINCIPLES REGARDING THE USE OF RESERVE AND P ALTERNATE ATHLETES

RESERVE ATHLETES

Competing athletes, who have an Aa accreditation and who are entered by their NOC in any cycling event, may be selected to replace another entered athlete in a different cycling discipline/event until the time of the final confirmation for that event.

Reserve athletes must comply with the same eligibility rules as competing athletes as described in paragraph **C. Athlete eligibility**.

P ALTERNATE ATHLETES*

P alternate athletes are non-competing athletes, and are not included within the athlete's quota as described in paragraph **B. Athletes Quota**. More detailed information about entitlements and quotas can be found in the '*Accreditation at the Olympic Games – Users Guide*'. P alternate athletes can only become competing athletes as per the conditions outlined in the '*IOC/Tokyo 2020 Late Athlete Replacement policy*'.

Eligibility:

P alternate athletes must comply with the same eligibility rules as competing athletes as described in above paragraph **C. Athlete Eligibility**.

Quota:

Each qualified team in Team Sprint is entitled to one (1) P alternate athlete.

Each NOC with a team qualified in Team Pursuit and/or Madison is entitled to one (1) P alternate athlete.

The final deadline for the substitution of an athlete by a P alternate athlete is at the time of the confirmation of the composition of the teams, in accordance with the UCI regulations (www.uci.org , Articles 3.2.079 and 3.2.149).
