

# PART XI OLYMPIC GAMES

Rule amendment applying on **08.08.2019**

## Chapter I GENERAL REGULATIONS

- 11.1.010** The equipment to be used during the Olympic Games must comply with the UCI regulations, and particularly with Article 1.3.006.

For track races, any equipment used at the Olympic Games must have been commercially available – in accordance with article 1.3.006 – at the latest on January 1<sup>st</sup> of the year of the Olympic Games and may therefore not be in development phase (prototype). In addition, the equipment must have been previously used ~~in international events, by 31<sup>st</sup> December of the year prior to the Olympic Games.~~ in the year preceding the Olympic Games in an event included in the list as defined in the UCI Track Equipment Registration Procedure.

The UCI ~~may request the full disclosure of all~~ shall register any equipment ~~prior to the Olympic Games to be used during track races at the Olympic Games~~ and reserves its right to communicate about such equipment.
