### Definition

**7.1.011** Trials is a cycling competition, the objective of this sport is to get over obstacles grouped into sections, without setting foot on the ground or on the obstacle or any part of the bicycle (only the tires) touching the ground or on the obstacle as this incurs penalty points (dabs). The rider with the lowest total of penalty points shall be declared the winner in his category. The total duration of the event, necessary to negotiate all sections, is set accordingly.

At the World Championships, the rider with the highest total of points shall be declared the winner in his/her category.

(text modified on 18.03.15; 02.02.17.)

**7.1.018** Each side of the section must be marked by plastic course tape. The tape should be installed 20 to 30 cm above the ground. There can also be plastic course tape inside the section to indicate different ways of difficulty or to close some obstacles adding difficulty.

The tape should be minimum 12 cm wide and of high quality, as defined in the technical specifications of the organizers guide.

Inside the sections there are coloured arrows indicating.

- Direction: one arrow indicating the riders sense.
- Gates: two arrows (same colour and number) pointing at each other and leaving a space between them, where riders must pass through them.

Arrows inside the section must be numbered for easier understanding. The last arrow must be indicated with a circle around the number.

At the World Championships, arrows inside the section with the same number and different letter, belong to the same obstacle (for example 1A and 1B).

(text modified on 1.02.12; 18.03.15; 02.02.17.)

**7.1.025 bis** At the World Championships sections must be designed/built according to the UCI trials section building guide and must include six main obstacles.

(article introduced on 02.02.17.)

§7 Starting and riding regulations

**7.1.037** Penalties inflicted by the commissaires’ panel shall be entered on the score card given to each rider at the start. In addition, penalty points shall be entered on the penalty check list, to be kept for each section. In case of a difference between the score card and the check list, the commissaires’ panel decides.

At the World Championships, points counted by the commissaires’ panel shall be entered on the score card given to each rider at the start. In addition, the counted points shall be entered on the check list, to be kept for each section. In case of a difference between the score card and the check list, the commissaires’ panel shall decide.

5. In cases of equal penalty points other than for a podium place, the total competition time will be the decider.

In case of a tie in the final the points in the ½ Finals will act as a tiebreaker.

At the World Championships, in case of a tie (where two or more riders have the same total of points), the tie shall be solved in the following order:
1. Highest number of sections covered with maximum points possible;
2. Highest number of sections with fifty points, with forty points, etc;
3. Best result of the ½ Finals;
4. In a competition without a ½ Finals and concerning a podium place, a decisive section to be covered will be appointed by the commissaires’ panel. A rider starts the section with zero dabs and zero points.

Every time that the rider crosses a gate with zero dabs, his/her score will be added by 10 points. The point of view to validate the gates is the rear wheel's axle. The same procedure must be followed with the other gates of the section.

In the case that the rider commits a dab at the beginning of the section before crossing any gates or between gates, he/she will accumulate penalty points up to total of five.

UCI TRIALS WORLD CUP

7.3.008

Competition format

In the women’s category, each trials world cup race shall include a ½ Finals and a Final.

In the men’s categories, each trials world cup race shall include a ¼ Finals, a ½ Finals and a Final.

Women Elite ½ Finals
The trials world cup event will begin with a ½ Finals. The world cup ½ Finals is open to all riders entered. The ½ Finals shall consist of two laps of five sections. The commissaires’ panel will set the competition time according to the number of entered riders.

Women Elite Final
The best six riders in the ½ Finals will be eligible to compete in the Final. The penalty points obtained in the ½ Finals do not count in the Final. The six finalists will get a handicap.

In case of a tie, the penalty points in the ½ Finals will act as a tiebreaker.

Men Elite 20 and 26 ¼ Finals
The trials world cup event will begin with a ¼ Finals. The world cup ¼ Finals is open to all non-qualified riders entered. The ¼ Finals shall consist of two laps of five sections. The commissaires’ panel will set the competition time according to the number of entered riders.

The Men Elite ¼ Finals will be set in groups:
– Groups (3 or 4) will be determined depending on the number of riders entered.
– If the number of riders entered is 30 or lower, they will be split in 3 groups.
– If the number of riders entered is more than 30 they will be split in 4 groups.
– Groups will be determined as per riders order in the current UCI ranking, as e.g. group of 10 riders, positions: 11, 15, 19, 23, 27, 31, 35, 39, 43 and 47. (This principle is to avoid having riders ranked in highest position in the same group).
– For 3 groups the best four riders of each group will be eligible to compete in the ½ Finals plus the three or more of the lucky losers in overall should be qualified.
– For 4 groups the best three riders of each group will be eligible to compete in the ½ Finals plus the three or more of the lucky losers in overall should be qualified.

Men Elite 20 and 26 ½ Finals
The number of riders qualified in the ½ Finals including the top ten is always 25. At least the first fifteen riders in the ¼ Finals in each category and the ten highest ranked riders on the UCI ranking qualify for the ½ Finals. More riders can qualify if the number of directly qualified (from the UCI ranking) is less than ten riders.

The ½ Finals shall consist of two laps of five sections. The commissaires’ panel will set the competition time.

Men Elite 20 and 26 Finals
The best six riders in the ½ Finals will be eligible to compete in the Finals. The penalty points obtained in the ½ Finals do not count in the Finals round. The six
finalists will get a handicap. In case of a tie, the penalty points obtained in the ½ Finals will act as a tiebreaker.

**Handicap**

The six finalists will get the following handicap for the final:

- First: 0 penalty points
- Second: 1 penalty point
- Third and fourth: 2 penalty points
- Fifth and sixth: 3 penalty points

**Final procedure**

At the Finals round it will be applied the six by six system:

Before the start, the six riders will be presented on the start podium, in inverse order to the position obtained in the ½ Finals round. After the presentation, they must go to section one.

The order to start will be determined by the result obtained in the ½ Finals round. Rider that obtained the sixth place shall start first in section one and so on. The same principle applies for the remaining sections.

Once a rider finishes a section, the next rider has maximum thirty seconds to start the section. After this thirty second the section time is running.

In case of slight injury, the other rider must overtake and start the section in front of him/her. In case of tie, article 7.1.047 shall apply.

At the final the three by three system described hereinafter will be applied:

The starting order will be based on the result obtained in the ½ finals. Riders that ranked sixth, fifth and fourth places in the ½ finals shall start together and the rider with highest penalty points obtained in the ½ finals will start first.

Riders ranked third, second and first places in the ½ finals shall start together once the previous riders have finished all five sections. The rider with highest penalty points obtained in the ½ finals shall start first.

All riders must start in section number one; the riders must do the sections in order.

The three riders will be presented on the stage and, after the rider’s presentation; they must go to section number one. Once the first rider has finished section number one, the second rider shall start section number one. Once the second rider has finished the section number one, the third rider shall start section number one.

Meanwhile the second rider is riding section number one, the first rider can decide to wait or proceed to section number two. However, once the third rider has finished section number one, the first rider has a maximum of one minute to start section number two. After this minute, the time in section number two starts running.

The same principle applies for the remaining sections.

In case of mechanical problems or slight injury, the other rider can overtake and start the section first.
