The license year must be in the position and of the font size shown. ~~This obligation takes effect for the 2020 licence but Federations are strongly encouraged to implement the revised format for the 2019 license.~~ If a Federation wishes to issue licenses with a QR code or a bar code, space is provided on the reverse of the license for this purpose.

National Federations may issue electronic licenses (i.e. smart phone compatible) in place of material licences. Electronic licences shall feature the same licence format as presented above.

National Federations shall be responsible for ensuring the validity of electronic licences and every aspect related to security pursuant to the relevant applicable laws.

Sports directors and assistant sports directors of UCI Women's **WorldTeams** must also have successfully passed the UCI examination in order to be registered as from the 2020 season.

### Section 3: riders' clothing

#### § 1 General provisions

- 1.3.026** When competing, all riders shall wear a jersey with sleeves and a pair of shorts, possibly in the form of a one-piece skinsuit. By shorts it is understood that these are shorts that come above the knee.  
Sleeveless jerseys shall be forbidden.

However, for downhill, four-cross and Enduro mountain bike events, BMX, trials and indoor cycling, specific provisions are laid down in the part of the regulations concerning the discipline in question.

#### § 7 National champion's jersey

- 1.3.069** The specificities concerning the design of the national champion jersey are described in the brochure available on the UCI website. These specificities are applicable for all the disciplines.

Before production, the national champion jersey design (colours, flag, drawing) reproduced by the titled rider must be approved by the concerned national federation and must respect the latter's dispositions.

Each national federation must have its national champion jersey design registered by the UCI, for each discipline, at least 21 days before the national championships of the discipline in question.

The wearer of a national champion's jersey shall be entitled to match the colour of his shorts to that of the jersey.

However, under the prior approval of the concerned National Federation and instead of wearing a traditional national champions jersey in the sense of the provision 1.3.068, the national champions in MTB DHI, MTB 4X, MTB Enduro and BMX have the possibility to wear a distinct national champion jersey with the left arm sleeve representing the flag of the rider's country. No advertising is authorized on that left arm sleeve of the national champion jersey. Apart from the left arm sleeve and without prejudice to the provisions 1.3.026 to 1.3.044, the remaining spaces (e.g. front, back and right arm sleeve) are let at the disposal of the riders for their usual sponsors. The specificities are described in the brochure available on the UCI website.
