§ 7 Miscellaneous

1.1.090 1. Sponsorship by betting companies (including national lotteries) is forbidden if the betting company holds any shares or any contractual arrangements which grant it a right to take part directly or indirectly in the management or decision-making of the organiser, team or licence-holder concerned, unless the betting operator abstains from organising bets in relation to events of the organiser concerned or in relation to the events in which the team or the licence-holder concerned takes part and, with regard to any other cycling event, complies with the list of authorised bets drawn up by the UCI Management Committee.

2. In all other cases, sponsorship by betting companies is authorised provided the sponsor complies with the list of authorised bets drawn up by the UCI Management Committee. It is consequently forbidden to be sponsored by a betting company which organises bets on events which do not appear on the said list and/or types of bets which do not appear on the list.

3. In addition, any organiser, team or licence-holder wishing to be sponsored by a betting company shall:

– ensure that the betting operator is affiliated to one or several competent national monitoring authorities for the regulation and supervision of sports betting and holds an authorisation to organise bets in accordance with the definitions of the Council of Europe Convention on the Manipulation of Sports Competitions. In the event of absence of a monitoring authority for the supervision of sports betting in the country or countries where the betting operator is affiliated, the UCI may authorise such sponsorship provided that the betting operator is contractually affiliated to a
monitoring agency approved by the UCI and which agrees to provide reports concerning atypical or suspicious betting to the UCI.

- ensure that any such sponsorship contract explicitly prohibits the betting company from
  i. collecting insider information and/or any other information that could be used to manipulate a cycling event
  ii. participating in any decision of a sporting nature.

4. The organiser, team or licence-holder wishing to be sponsored by a betting company shall provide documentation establishing compliance with the conditions above along with its request for registration before the UCI or the national federation, if applicable, and as determined by the applicable provisions. In the event the organiser, team or licence-holder is already registered at the time it wishes to obtain sponsorship by a betting operator, the documentation shall be submitted without delay for approval by the UCI or the national federation and in any case no later than two months prior to the event during which the organiser, team or licence-holder wishes to grant visibility to the betting operator.

§ 9 Prizes

1.2.071 No more than 30 days before the race, the organiser shall pay over to his national federation a sum covering the total value of the prizes. The national federation shall ensure that they be distributed.
The payment may be replaced by a bank guarantee; in this case the prizes shall be paid out by the organiser. The event organiser is responsible for paying the prizes to the riders/teams. However, national federations may provide that prizes be paid to them by the organisers prior to the event, in order to proceed themselves with the payment of prizes or require that the organiser sets up a bank guarantee for the total amount of prizes. National Federations may impose such requirements on any event taking place on its territory.

As an exception to the first paragraph, the UCI may provide that prizes shall be paid by the organiser into a specific bank account as part of a centralised platform for the distribution of prizes and managed by the UCI or a third-party designated by the UCI. In such a case:

- Where applicable, the organiser shall be responsible for withholding taxes in accordance with the tax laws in the country of the event. Where taxes are withheld, the organiser shall be responsible for providing all relevant tax certificates (via electronic upload onto the platform);
- The payment made by the organiser onto the centralised bank account shall include the entire prize money due for the event less deduction of any withholding taxes;
- Such payment shall be made upon the obligations related to withholding taxes being fulfilled and no later than 45 days after the event;

1.2.072 Prizes shall be paid to the beneficiaries or their representatives no later than 90 days after the finish of the race. However, national federations or - in the case of a centralised platform, - the UCI may withhold payments until such time that they are satisfied that the riders entitled to prizes are not susceptible of being disqualified further to an anti-doping rule violation committed in connection with the event provisionally suspended due to an Adverse Analytical Finding or subsequently being disqualified by a competent decision-making body the UCI Disciplinary Commission. In relation to anti-doping, the UCI shall seek verification with the Cycling Anti-Doping Foundation International Testing Agency solely regarding events for which the latter initiated and directed sample collection. For events which are not included in the centralised platform, the event organiser shall be responsible for seeking verification with the relevant decision-making body susceptible of disqualifying a rider before proceeding with the payment of the prizes. In particular, where in-competition testing has been conducted, the event organiser shall seek verification with the anti-doping organisation which initiated and directed sample collection.
