

PART 14 – ANTI-DOPING RULES

Rules amendments applying on **01.01.2020**

Article 18 EDUCATION

18.4 All *Riders* included in the *UCI Registered Testing Pool* shall, within 4 months from the notification of their inclusion in the *UCI Registered Testing Pool*, successfully complete the eLearning Anti-Doping Education course ALPHA and register such completion. Any *Rider* who has been included in the *UCI Registered Testing Pool* on or before 1st January 2020 must successfully complete this course and register its completion by 30 April 2020.

The course shall be deemed to have been successfully completed once the *Rider* receives the certificate of completion which is obtained after achieving a final score of at least 80% at the final exam.

Each *Rider* shall be personally responsible for complying with this obligation.

Any *Rider* who has not met this requirement by the set deadline shall be ineligible to compete in any International Event until successful completion of the course and its registration.

(Article introduced on 01.01.2020)

18.5 National Federations shall use their best endeavours to ensure *Riders* who have a license issued by their Federation, complete the eLearning Anti-Doping Education Course ALPHA within 4 months of the receipt of their license from their Federation.
