- 7.** Without prejudice to the competence of the UCI Management Committee, the Commission shall have freedom of action in the tasks delegated to it, namely:
 - Presenting the UCI Management Committee with its wide-ranging considerations in order to improve the role of athletes in all disciplines.

The Commission shall closely follow developments relating to the status of athletes and shall respond in an appropriate manner if presented with facts or trends liable to challenge the role or status of athletes in whatever manner.

- 8.** The Commission shall make decisions on the basis of the majority of the votes cast. In the event of a tie, the President shall have the casting vote. The UCI Coordinator, individuals appointed as observers and/or advisers and the co-opted members shall not have the right to vote. Their opinions are purely for consultative purposes.

- 10.** Outside of meetings, the Commission shall communicate by using the electronic platform put in place by the UCI for this purpose.
- 11.** Members must attend the Commission in person and cannot be represented by a third party. A member who is absent from the meeting may not vote by proxy or post.
